More details:

Database & location	Personal data from ICS members is collected and saved in an Access Database at Utrecht University. A part of the data is display on the website which is hosted at University of Groningen.
Security	The ICS takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized changes. If you have the impression that your data is not properly secured or there are indications of abuse, please contact our secretary.
Period	Personal data will be saved for an unlimited period in order the enable research on career development.
Sharing data	Personal data will not be shared with any other parties except for, with consent, the James Coleman Association.
Cookies	The ICS uses cookies.
Automated decision making	The ICS does not make decisions based on automated processing about matters that can have (significant) consequences for people.
Your rights	You have the right to view, correct or delete your personal data. In addition, you have the right to withdraw your consent for data processing or to object to the processing of your personal data by the ICS and you have the right to data transferability. This means that you can submit a request to us to send the personal data that we hold about you in a computer file to you or another organization mentioned by you. You can send a request for access, correction, deletion, data transfer of your personal data or request for withdrawal of your consent or objection to the processing of your personal data to our secretary. To ensure that the request for inspection has been made by you, we will have to determine your identity. We will respond to your request as quickly as possible, but within four weeks. The ICS would also like to point out that you have the option of submitting a complaint to the Dutch Data Protection Authority. You can do this via the following link: https://autoriteit-individual-data.nl/nl/contact-with-de-autoriteit-individual-data/tip-ons
